Exhibit of Livestock and Poultry in Minnesota

Entry forms to be mailed 10 days prior to Fair dates.

### Summary of State Rule

Requirements for Livestock and Poultry

Originating from Minnesota:

### GENERAL REQUIREMENTS:

The exhibition management may adopt more but not less restrictive health requirements than required by state rule.

Livestock or poultry known by the exhibitor to have an infectious, communicable disease or to have been exposed to an infectious, communicable disease, or to be from a quarantined herd or flock may not be entered in exhibition. *Warts and ringworm* are considered communicable diseases. Therefore, livestock affected by these diseases cannot be exhibited. A statement from a veterinarian that an animal is being treated for these diseases is **not** acceptable.

All livestock will be inspected by the Official Veterinarian on the opening day of the exhibition and daily during the exhibition. The Official Veterinarian will order the immediate removal to a quarantine facility or removal from the exhibition premises of any livestock with symptoms of infectious or communicable diseases. Animals placed in a quarantine facility must remain there until removed from the exhibition premises. They may not enter a show ring. This includes livestock with *warts or ringworm*.

All testing must be conducted prior to the exhibition, and a record of the test results on a test chart or Intrastate Health Certificate must accompany the tested animals. Livestock and poultry entered in a petting exhibit are not exempt from the exhibition rules if the animals are from more than one farm or there are other animals at the exhibit.

No equine will be allowed into the barns unless the owners present a negative Coggins paper and go through the 4-H vet check.

### POULTRY (originating from Minnesota) -- except waterfowl and pigeons:

1. Identified by leg or wing band.
2. Negative pullorum-typhoid test within 90 days, or
3. Record of origin from a flock tested negative within last 12 months.
4. Turkeys must be tested at a laboratory for typhimurium and mycoplasmas or
5. Have a statement of origin if less than 6 months old.

### SWINE (originating from Minnesota).

Negative official (SN, latex, EUSA) pseudorabies test within 30 days of the opening date of the exhibition. The differential pseudorabies tests are not approved for exhibition.

Exceptions to testing requirement:

1. Swine from a Pseudorabies Qualified Negative Herd.
2. Swine from a Pseudorabies Controlled Vaccinated Herd.
3. Slaughter class swine (terminal show).

When pseudorabies testing is required, all swine (including barrows) from monitored herds must meet the testing requirements.

### CATTLE, GOATS, SHEEP, HORSES (originating from Minnesota)

No specific requirements. (NOTE: See general requirements above.)

### CATTLE, GOATS, SHEEP, HORSES (not originating from Minnesota)

Animals must meet the Minnesota Importation requirements in addition to the requirements outlined in this summary. Health certificates must list the Minnesota Exhibition as consignee and will be accepted if examination and tests are conducted within 90 days prior to the exhibition, except swine pseudorabies tests, which must be made within 30 days. The differential pseudorabies tests are not approved for exhibition. All equine owners to present a negative Coggins paper. PLEASE HAVE MULTIPLE COPIES

All goats and sheep, including market animals, regardless of age, must have a Scrapie ID tag or tattoo in place to be able to exhibit. Exhibitors must bring copy of letter from MN Board of Animal Health to show proof of ID numbers.

No female goats or sheep within 30 days before or after birth are allowed for exhibit.

Any questions, contact the Minnesota Board of Animal Health at (651)201-6809.

### DOGS

Dogs over 6 months of age must be accompanied by a current Certificate of Rabies Vaccination issued by a Licensed Veterinarian.

## SPECIAL RULES

Base dates for computing age of all entries in the cattle classes are August 1<sup>st</sup>. 4-H blue ribbon winners or an animal not shown in 4-H competition may be shown in open class.

Cattle must be owned by the exhibitor from the time of making entries and exhibitor must be present in the ring with animal at showing.

Application for entries must be made upon printed blanks, found stapled in this book, and when filled out must be mailed to the livestock superintendent 10 days before Entry Day.

Entry blanks must contain all information in accordance with instructions thereto, giving department, class and lot, name and registry number of animal, date of birth, breeder's name and address, name and registry number of sire and dam, name and address of exhibitor. **Certificate of registry of proof of breeding must be furnished to the superintendent at time of entry.**

Registered animals must be shown only in registered class.

Exhibitors must ascertain as to the time when their stock will be judged. Exhibitors failing to comply with this rule may have their animals excluded from competition.

Rabbits and poultry will be judged Friday at 8:30 a.m.  
Judging of cattle, sheep, and goats will be Friday.

Exhibitors must keep their barns and stalls open and stock uncovered between the hours of 10 a.m. and 9 p.m., during each day of Fair until cattle are removed.

Exhibitors must keep the space in the rear of their stalls and the alleyways in the barns clear and clean; all litter must be thrown where directed by the superintendent. Failure to comply may mean a loss of premium.

Dairy bulls over one year of age must be secured by a ring in the nose in order to remain on the grounds.

Only registered sires will be allowed to compete for cash prizes in any class.

Registered animals under one year of age, will not be required to show certificates of registry but the exhibitor of such animals will be required to have a certified statement that both sire and dam of such animals are properly registered pure-breeds.

Each livestock exhibitor will be responsible for feeding, watering and caring for his own livestock. Bring your own straw, grain and hay. Hay and straw will be available at current price. Tie chains are required.

No animal may be entered in more than one lot unless otherwise stated. Because of difficulties in arranging transportation the Fair Association will not provide transportation for livestock. Premiums awarded at Judges; discretion.

Livestock & Poultry may be released at 6:00 pm, the last day of the Fair. All others at 7:30 pm. The State of Minnesota requires all Equine owners to present a negative Coggon's paper.

The Fair Board solicits your cooperation in exhibitors furnishing their own hammers, staplers. etc., to put up their booths.

The South St. Louis County Fair Association adheres to the principle that all persons shall have equal opportunity and access to facilities and programs in the Fair without regard to race, color, sex, or national origin.
